The Ministry of Works and Housing is in the process of establishing a Project Implementation Management Unit (PIMU) and intends to engage the services of a number of professionals aimed at ensuring the successful roll out of Road Infrastructure Rehabilitation and Institutional Capacity Building Project.

The PIMU will be responsible for the implementation of the project and will be headed by the Project Coordinator.

The Ministry intends to engage the services of:

- A Construction Supervision Consultant
- Two (2) Project Engineers.
- A Gender Sensitisation Consultant.

The officers will report to the Project Coordinator and will mainly be responsible for assisting with the implementation of the project.

Consideration will be given to technical competence, qualification and experience, local and regional experience on similar assignments, financial capabilities and existing commitments.

The deadline for application for the position of Gender Sensitisation Consultant is 3:00 p.m. on June 30<sup>th</sup> 2017.
